COPYRIGHT TRANSFER AGREEMENT

This form is intended for original material submitted to International Journal of Nanotechnology and Nanoscience (IJNN) and must accompany any such material in order to be published by IJNN. By signing this agreement, the authors certify that they have completely read and agreed to the copyright transfer and publication terms stated in this form.

Manuscript Title:

Complete list of authors:

I, the undersigned, on behalf of all other authors, hereby transfer and assign to Iranian Journal of Nanoscience and Nanotechnology (IJNN) all rights under copyright that may exist to the above mentioned work in all forms and media of expression available now or developed in the future.

I, the undersigned, on behalf of all other authors, certify that the manuscript submitted is not published or currently under consideration elsewhere. I, the undersigned, further warrant that the work contains no libelous, obscene or unlawful statements or opinions and does not infringe on any copyrights, intellectual property rights, personal rights or rights of any kind of others, nor contains any plagiarized, fraudulent, improperly attributed materials, instructions, procedures, information or ideas that might cause any harm, damage, injury, losses or costs of any kind to person or property.

I, the undersigned, on behalf of all other authors, certify that all authors have participated sufficiently in the intellectual content, analysis or interpretation of data, writing of the article, and production of illustrations to take public responsibility for it.

I, the undersigned, on behalf of all other authors, certify that all animal or human experimentations were conducted according to international guidelines and regulations.

I, the undersigned, on behalf of all other authors, certify that all authors have no commercial associations posing a possible conflict of interest in connection with the manuscript submitted, except as disclosed on a separate attachment. Funding sources supporting the work are acknowledged.

I, the undersigned, on behalf of all other authors, certify that all authors have agreed to these above terms.
